VOTING EXCLUSION STATEMENTS

Item 2

For the purposes of sections 250R(2) and 250BD(1) of the Corporations Act 2001 (Cth):

1. subject to paragraph 2, a vote must not be cast (in any capacity) on the resolution in Item 2 by or on behalf of a member of the Company's key management personnel (including the Directors) (KMP), details of whose remuneration are included in the Remuneration Report or their closely related parties, whether as a shareholder or as a proxy except that a vote may be cast on the resolution in Item 2 by a KMP, or a closely related party of a KMP if:
 - the vote is cast as a proxy appointed in writing that specifies how the proxy is to vote on the resolution in Item 2; and
 - the vote is not cast on behalf of a KMP or a closely related party of a KMP.
2. if you appoint the Chairman of the AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 2 on the voting form, you will be expressly authorising the Chairman of the AGM to exercise your proxy even if the resolution in Item 2 is connected directly or indirectly with the remuneration of a KMP of the Group, which includes the Chairman of the AGM.

- the Chairman of the AGM as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or

NOTES

1. A shareholder entitled to attend and vote at the AGM is entitled to appoint not more than two proxies. Shareholders can appoint a body corporate as well as an individual as their proxy. A body corporate may appoint an individual as its representative to exercise any of the powers the body may exercise at general meetings of nib or in the capacity of a shareholder's proxy at general meetings of nib. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a general meeting or in voting on a resolution.
2. A shareholder who appoints two proxies may state on the voting form what proportion or number of the shareholder's votes each proxy is being appointed to exercise. If a shareholder appoints two proxies and does not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half the shareholder's votes.
3. If a shareholder has appointed two proxies, when a resolution is decided on a show of hands, only the first person named on the voting form may vote. If two voting forms have been completed, the person whose name is earlier in alphabetical sequence may vote.
4. A proxy need not be a shareholder of nib.
5. As this year's AGM is being held both in person and virtually, votes may be cast directly by shareholders in person during the AGM, online during the live meeting, prior to the meeting or via proxy. If you would like to vote directly, you may do so in one of the following ways:
 - a. lodge a voting form before the AGM, by no later than 11:00am (AEDT) on Wednesday, 16 November 2022;
 - b. lodge an online vote during the live AGM via the following link: meetnow.global/MFTHFNA; or
 - c. attend the AGM in person and vote at the AGM.
6. Shareholders who cast a vote on a resolution before the AGM by lodging a valid voting form will still be entitled to lodge a further direct vote on that resolution during the live meeting, with the later vote overriding the earlier vote.
7. Either the original or electronic transmission of the voting form(s) and any Power of Attorney or authority under which they are signed must be received at least 48 hours prior to the AGM (i.e. by no later than 11:00am (AEDT) on 16 November 2022) or any adjournment. Any voting form received after this deadline, including at the AGM, will be invalid.
8. A voting form accompanies this Notice of Meeting allowing shareholders to appoint a proxy or utilise direct voting.
9. Additional voting forms will be supplied by the nib share registry on request.
10. An electronic voting facility is also available to shareholders via the nib shareholder website nib.com.au/shareholders/aggm or at investorvote.com.au.
11. If a corporate representative is to attend the AGM on behalf of a corporation, a formal Notice of Appointment must be lodged with the share registry prior to the AGM.
12. In accordance with Regulation 7.11.37 of the Corporations Regulations (Cth) and ASX Settlement Operating Rule 5.6.1, the Board has determined that a person's entitlement to vote at the AGM will be the entitlement of that person set out in the register of shareholders as at 7.00pm (AEDT) on Wednesday, 16 November 2022. Accordingly, transactions registered after that time will be disregarded in determining shareholders entitled to attend and vote at the AGM.
13. If you wish a question to be put to the Chairman or Auditor and you are not able to attend the AGM, please complete the question form that is included with this Notice of Meeting or lodge your question at investorvote.com.au.
14. Either the original or electronic transmission of the question form or the online submission form must be received at least five business days prior to the AGM (by no later than 5.00pm (AEDT) on Friday, 11 November 2022 or any adjournment). This is to allow time to collate questions and to prepare answers.
15. If the appointment of a proxy specifies the way the proxy is to vote on a particular resolution:
 - the proxy is not required to vote on a show of hands, but if the proxy does so, the proxy must vote as directed (subject to any applicable voting exclusions);
 - if the proxy has two or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands;
 - if the proxy is not the Chairman of the AGM, the proxy need not vote on a poll but if the proxy does so, the proxy must vote as directed (subject to any applicable voting restrictions); and
 - if the proxy is the Chairman of the AGM, the proxy must vote on a poll and must vote as directed.
16. There are some circumstances where the Chairman of the AGM will be taken to have been appointed as a shareholder's proxy for the purposes of voting on a particular resolution even if the shareholder has not expressly appointed the Chairman of the AGM as their proxy. This will be the case where:
 - the appointment of the proxy specifies the way the proxy is to vote on a particular resolution;
 - the Chairman of the AGM is not named as the proxy;
 - a poll has been called on the resolution; and
 - either of the following applies:
 - the proxy is not recorded as attending the AGM; or
 - the proxy attends the AGM but does not vote on the resolution.

Shareholders should consider directing their proxy how to vote on each resolution by crossing either the "For", "Against", or "Abstain" box when lodging their voting form to ensure that their proxy is permitted to vote on their behalf in accordance with their instructions.

Explanatory Notes

on the business to be transacted at the nib AGM

ORDINARY BUSINESS

1. Consideration of Reports

Section 317(1) of the Corporations Act 2001 (Cth) ("Corporations Act") requires a public company to lay before its annual general meeting the Financial Report, the Directors' Report and the Auditor's Report for the company for the financial year that ended before the annual general meeting.

Shareholders will be able to consider, comment on and ask questions of the Directors and the Auditor of the Company about the management of the Company, the conduct of the audit, and the preparation and contents of the financial statements and reports of the Company for the financial year ended 30 June 2022.

2. Remuneration Report

The Corporations Act requires listed companies to put a remuneration report relating to Director and Executive remuneration for each financial year to a resolution of members at each annual general meeting. The Remuneration Report for the Group for the financial year ended 30 June 2022 is set out on pages 22 to 44 of the Company's Annual Report and is also available on the Company's website nib.com.au/shareholders.

Under section 250R(3) of the Corporations Act, the vote on this resolution is advisory only and does not bind the Directors or the Company. Shareholders will be able to ask questions about, and make comments on, the Remuneration Report at the AGM.

The Directors unanimously recommend that shareholders vote in favour of this ordinary resolution to adopt the Remuneration Report.

3. Re-election of Mr Donal O'Dwyer

In accordance with the ASX Listing Rules and the Constitution, Mr Donal O'Dwyer retires from office at the AGM and, being eligible for re-election, offers himself for re-election as a Non-Executive Director.

The Board (with Mr Donal O'Dwyer abstaining and not voting) supports the re-election of Mr Donal O'Dwyer and recommends that shareholders vote in favour of this ordinary resolution.

SPECIAL BUSINESS

4. Approval of Participation in Long-Term Incentive Plan

Approval Sought

nib seeks shareholder approval for Mr Mark Fitzgibbon, Managing Director & CEO, to participate in the LTIP via a grant of Performance Rights from July 2022 (with a four-year vesting period).

Background

The LTIP forms part of nib's remuneration strategy. The LTIP is designed to align the interests of Executives and shareholders and to assist nib in the attraction, motivation and retention of Executives. In particular, the LTIP provides Executives with an incentive for future performance, thereby encouraging those Executives to remain with and contribute to the future performance of nib.

Under the LTIP, eligible persons participating in the LTIP may be granted performance rights on terms and conditions determined by the Board from time to time (Performance Rights).

A Performance Right is a right to acquire a share in nib, subject to the satisfaction of applicable vesting conditions including the achievement of Board-determined performance hurdles.

In 2008, nib adopted the LTIP and the LTIP Rules (LTIP Rules). The LTIP Rules were most recently amended on 14 September 2022. A summary of the LTIP Rules, which apply to Performance Rights granted to Mr Fitzgibbon and others from 14 September 2022, is set out in the Schedule to these Explanatory Notes.

Overview of awards to Mr Mark Fitzgibbon

Performance Rights are awarded to Mr Mark Fitzgibbon (Managing Director & CEO) on an annual basis at the discretion of the Board (and subject to any required shareholder approvals). The Performance Rights for each annual award are granted in two tranches of equal value.

The Performance Rights proposed to be issued will have a four-year performance period (from 1 July 2022 to 30 June 2026) (Performance Period).

Vesting conditions

The Performance Rights will vest in accordance with the achievement of the following vesting conditions:

Vesting Condition 1	Vesting Condition 2
50% of the Performance Rights ("Tranche 1")	50% of the Performance Rights ("Tranche 2")
Total Shareholder Return targets (TSR) for the relevant Performance Period are met (TSR Hurdle)	Earnings per Share growth targets (EPS) for the relevant Performance Period are met (EPS Hurdle)

The TSR Hurdle and the EPS Hurdle have been chosen by the Board to focus management attention on four-year strategic and financial objectives, as well as shareholder alignment.

TSR Hurdle

The TSR Hurdle measures the growth in the price of securities plus cash distributions notionally reinvested in securities. In order for the Tranche 1 Performance Rights to vest, the TSR of nib is compared to companies in the S&P/ASX 200 (which nib forms part of) as at the commencement of the relevant Performance Period. For the purpose of calculating the TSR measurement, the security prices (plus cash distributions notionally reinvested in securities) of each comparator company in the S&P/ASX 200 and of nib will be averaged over the 20 consecutive ASX trading days preceding the start date and end date of the relevant Performance Period.

The percentage of Tranche 1 Performance Rights that vest will be as follows:

nib's TSR performance compared to the relevant peer group	Percentage of Tranche 1 Performance Rights to vest
< 50th percentile	No vesting
≥ 50th percentile to 74th percentile	Pro-rata straight line vesting between 50% and 74%
≥ 75th percentile	100% vesting

EPS Hurdle

The principle used in setting the EPS Hurdle is to use nib's prior financial year's statutory EPS as a base and apply a range of compound annual growth rates in EPS from 4% to 10%, which in turn determines the percentage of Tranche 2 Performance Rights that will vest on 1 September 2026 following the end of the relevant Performance Period, depending on the compound annual growth rate in statutory EPS achieved. The EPS targets have been determined with reference to the macro-economic environment, relevant benchmarks and nib's strategy over the measurement period.

No Performance Rights will vest if the compound annual growth rate is below 4%.

The EPS Hurdle base for the Performance Period is 29.6 cents per share, being nib's 2022 financial year earnings per share, which is calculated based on net profit after tax attributable to owners of nib holdings limited of \$135.7 million.

The EPS Hurdle for the Performance Period will be determined in accordance with the principles set out in the table below (with the Board setting the EPS hurdles annually):

Percentage of Performance Rights vesting	EPS Hurdle
100%	Compound annual growth rate of 10% (equates to EPS of \$0.433 in the financial year ending 30 June 2026)
75%	Compound annual growth rate of 8% (equates to EPS of \$0.403 in the financial year ending 30 June 2026)
50%	Compound annual growth rate of 6% (equates to EPS of \$0.374 in the financial year ending 30 June 2026)
25%	Compound annual growth rate of 4% (equates to EPS of \$0.346 in the financial year ending 30 June 2026)
0%	Nil

Notes:

- For the purpose of calculation, 25% and 50% will be discrete thresholds (e.g. performance will be assessed at 25% for EPS greater than or equal to \$0.346 but less than \$0.374, with performance above the 50% entitlement calculated on a pro rata basis to a maximum entitlement of 100%).

The EPS Hurdle will be tested as at 30 June 2026 and the percentage of Performance Rights that will vest on 1 September 2026 will be calculated in accordance with the criteria set out in these Explanatory Notes.

Number of Performance Rights

The number of Performance Rights to be granted to the Managing Director & CEO for the financial year commencing 1 July 2022 is calculated as follows:

$$\frac{125\% \times \text{TFR}}{\text{Strike Price}}$$

TFR = the Managing Director's total fixed remuneration for the relevant financial year (being base salary plus superannuation).

Strike Price = Volume weighted average price (VWAP) for nib shares for the first 10 trading days following the announcement of the full year financial results for the financial year ended 30 June 2022, which is \$7.9546.

If approved by shareholders, the number of Performance Rights to be granted to Mr Fitzgibbon for the financial year commencing 1 July 2022 is calculated as follows:

$$\frac{125\% \times \$1,207,500}{\$7.9546} = 189,748 \text{ Performance Rights}$$

Delivery of Shares on Vesting of Performance Rights

Mr Fitzgibbon will receive one share for every vested Performance Right, subject to the LTIP Rules, and the Company may elect whether to allocate shares for the purpose of the LTIP by way of an issue of shares or by procuring the on-market purchase and transfer of shares. The Company currently proposes that it will satisfy its obligations to allocate shares for the purpose of the LTIP by arranging for the on-market purchase and transfer of shares to Mr Fitzgibbon after the testing of the particular performance hurdles.

A two-year non-disposal period applies to 50% of the shares allocated to Mr Fitzgibbon on vesting of the Performance Rights.

Participation in the LTIP by Mr Fitzgibbon

nib seeks shareholder approval for Mr Fitzgibbon, Managing Director & CEO, to participate in the LTIP for the performance period from 1 July 2022 to 30 June 2026, with the number of Performance Rights to be awarded to Mr Fitzgibbon to be calculated in accordance with the formula set out in this Notice of Meeting.

It is proposed that the performance hurdles for Mr Fitzgibbon will be applied to any other offer of Performance Rights to nib's KMP, unless the Board determines otherwise. Details relating to the performance hurdles will be set in the same manner as outlined in relation to Mr Fitzgibbon, unless the Board determines otherwise.

Further Information

Listing Rule 10.14 provides that a listed company may only permit a director to acquire shares or rights to shares under an employee incentive scheme where that director's participation has been approved by an ordinary resolution of shareholders. It is the Board's current intention that if the Performance Rights vest, shares will be acquired on-market for the purposes of the LTIP.

The Board wishes to seek approval for the acquisition of Performance Rights and shares by the Managing Director & CEO under the LTIP as discussed in these Explanatory Notes.

In accordance with the Listing Rules, the following information is provided for shareholders:

1. the details (including the amount) of Mr Fitzgibbon's current total remuneration package are as follows:
 - Total Fixed Remuneration (TFR) – \$1,207,500
 - Target Short-Term Incentive (STI) opportunity – 90% of TFR (maximum STI opportunity is 150% of Target)
 - Long-Term Incentive (LTI) opportunity – 125% of TFR
2. the maximum number of Performance Rights for which approval is sought will be calculated as described above and will be provided to shareholders in the relevant Annual Report along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTIP after the resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14;
3. nib only values performance rights once those performance rights are granted. On the grant date, the performance rights are valued as follows: 1 performance right = the market price of 1 share at the grant date with an adjustment for the dividends that the employee will not receive during the vesting period for that performance right calculated in accordance with AASB 2 Share-based Payment.
Using the nib share price as at close of market on 19 September 2022 less the value of forecast dividends foregone discounted at the risk-free rate and assuming 100% vesting of EPS Hurdle and 48% of the TSR Hurdle, the value of the Performance Rights for which approval is sought is estimated to be \$937,962.31.
However, as stated above, the actual value of the performance rights can only be calculated on the grant date;
4. the Performance Rights will be granted at no cost to Mr Fitzgibbon and the Board has determined that no amount is payable by Mr Fitzgibbon on the vesting of each Performance Right granted under the LTIP;
5. no loan will be made by nib in connection with the acquisition of Performance Rights or shares by Mr Fitzgibbon under the LTIP;
6. Mr Fitzgibbon has previously received a total of 4,050,899 Performance Rights under the LTIP with an acquisition price of nil, of which 2,532,627 have vested; and
7. no Performance Rights will be granted under this approval later than 3 years after the date of the AGM.

Recommendation

The Board (with Mr Fitzgibbon abstaining and not voting) recommends that shareholders vote in favour of the ordinary resolution in Item 4 on the basis that the overall remuneration of Mr Fitzgibbon, which includes his participation in the LTIP, is reasonable having regard to the Company's circumstances and that the grant of Performance Rights to Mr Fitzgibbon under the LTIP and on the terms described in these Explanatory Notes:

- is in the best interests of the Company as a whole; and
- is consistent with the Company's remuneration policy, in particular the Company's policy of linking remuneration to achievement, and the objective of attracting and retaining highly-skilled Executives.

Schedule

Summary of the LTIP Rules

A grant of performance rights is subject to both the LTIP Rules and the terms of the specific grant as determined by the Board. The Board is responsible for administering the LTIP in accordance with the LTIP Rules and the terms and conditions of specific grants of performance rights to participants in the LTIP.

Eligibility and Participation

The Board may determine which persons are eligible to participate in the LTIP from time to time. Eligible persons may be invited to apply to participate in the LTIP. The Board may, in its discretion, accept such applications.

Performance Rights

A person participating in the LTIP ("Executive") may be granted performance rights on terms and conditions, including tenure conditions and performance hurdles, determined by the Board. A performance right has a nil exercise price and is exercised automatically on vesting unless determined otherwise by the Board.

Consideration for Grant

The Board may determine the amount (if any) payable for the grant of a performance right from time to time.

Vesting

Following the satisfaction of the performance hurdles applying to a performance right, the performance right vests on a date predetermined by the Board ("Vesting Date").

Accelerated Vesting at Board's Discretion

If an Executive is employed or engaged by a member of the Group, the Board may, in its discretion, decide to accelerate the vesting of all or part of the performance rights held by an Executive if there is a winding up of the Company, a delisting of the Company, a change of control, reconstruction or amalgamation of the Company, or a cessation of employment as a result of redundancy or retirement of the Executive, or the death, serious incapacity, serious disability or serious illness of the Executive or their spouse, partner or dependent child.

When an Executive ceases to be employed or engaged by a member of the Group, the Board may, in its discretion, decide to accelerate the vesting of all or part of the performance rights only in the event of death, serious incapacity, serious disability or serious illness of the Executive, or only as many performance rights as are required to enable the Executive to comply with all taxation obligations arising from the acceleration of any performance rights at cessation of employment or engagement.

Whilst an Executive remains a holder of unvested performance rights following cessation of employment or engagement, the Board may, in its discretion, decide to accelerate the vesting of all or part of the performance rights held by an Executive if there is a winding up of the Company, a delisting of the Company, a change of control, reconstruction or amalgamation of the Company, or death of the Executive, provided that the treatment of these unvested performance rights is the same as the treatment of unvested performance rights held by an Executive who remains employed or engaged by a member of the Group.

Delivery of Shares on Vesting of Performance Rights

Following the Vesting Date or the accelerated vesting of a performance right, the Executive will be allocated or issued the number of shares comprised in each performance right.

The Board has the discretion to have shares issued or transferred to an Executive on vesting of performance rights. Any shares issued or allotted under the LTIP will rank equally with those shares of the same class for the time being on issue, except for any rights attaching to those shares by reference to a record date prior to the date of issue or allotment.

Lapse

An unvested performance right will lapse on the earliest of:

- a. the expiry date applicable to that performance right;
- b. the Board determining that the vesting conditions in respect of the performance right are not satisfied and not capable of being satisfied on the relevant testing date and that the performance right has lapsed;
- c. the Board making a determination in accordance with the terms and conditions of grant of the performance rights that the performance right has lapsed;
- d. the date the Executive ceases to be employed by nib or a company in the Group due to being a "bad leaver" (being an Executive who ceases employment with nib or a company in the Group by reason of summary dismissal, resignation (other than a mutually agreed separation) and any other reason the Board determines creates a "bad leaver" (other than a reason specified in e. below)), unless the Board determines otherwise;
- e. the date the Executive ceases to be employed by nib or a company in the Group due to:
 - i. death;
 - ii. serious incapacity, serious disability or serious illness;
 - iii. retirement;
 - iv. redundancy; or
 - v. mutually agreed separation,in which case a pro rata number of each tranche of that Executive's unvested performance rights (calculated in accordance with the LTIP Rules) will lapse 30 days after the date the Executive ceases employment and the balance of the Executive's unvested performance rights will continue to be held by the Executive subject to the terms and condition of the grant of the performance rights and the LTIP Rules, unless the Board determines otherwise; or
- f. the Board determining that the Executive has committed (or it is evident that the Executive intends to commit) any act (whether by omission or commission) of dishonesty, fraud, wilful misconduct, wilful breach of duty, serious and wilful negligence or incompetence in the performance of the Executive's duties, the Executive is convicted of a criminal offence (other than minor/trivial offences) or is guilty of wilful or recklessly indifferent conduct which may injure the reputation or business of an nib entity, the Executive has breached a confidentiality or non-compete obligation, or the Executive has been involved or contributed to a material financial misstatement and that the performance right has lapsed.

Clawback

If the Board becomes aware of:

- a. a material financial misstatement;
- b. that the Executive has committed (or it is evident that the Executive intends to commit) any act (whether by omission or commission) of dishonesty, fraud, wilful misconduct, wilful breach of duty, serious and wilful negligence or incompetence in the performance of the Executive's duties, the Executive is convicted of a criminal offence (other than minor/trivial offences) or is guilty of wilful or recklessly indifferent conduct which may injure the reputation or business of an nib entity, the Executive has breached a confidentiality or non-compete obligation;
- c. misconduct leading to significant adverse outcomes for a member of the Group;
- d. a significant failure of financial or non-financial risk management in relation to a member of the Group;
- e. a significant failure or breach of accountability, fitness and propriety, or compliance obligations having occurred;
- f. a significant error or a significant misstatement of criteria on which a variable remuneration determination was based; or
- g. a significant adverse outcome for customers, beneficiaries or counterparties of a member of the Group,

and the Board determines that a Performance Right which has been awarded to an Executive or become a vested Performance Right would not have been awarded or become a vested Performance Right if the Board had been aware of any of these matters at the time the Performance Right was awarded or became a vested Performance Right, the Board may (in its absolute discretion):

- i. lapse or cancel the Performance Right (including a vested Performance Right); or
- ii. require the Executive to transfer to the Company's nominee, for nil consideration, any shares which the Executive has received in respect of the vested Performance Right or to pay to the Company the sale proceeds of any shares.

Adjustment

In the event of any capital reorganisation by the Company (including any bonus issues), an Executive's performance rights, and the shares allocated to the Executive on vesting of the Executive's performance rights, will be adjusted as set out in the LTIP Rules and otherwise in accordance with the Listing Rules. In general, it is intended that the Executive will not receive any advantage or disadvantage from such adjustment.

Restrictions on Disposal of Shares

An Executive may not dispose of, deal in, or grant a security interest over any interest in, a share allocated to the Executive on the vesting of a performance right for any relevant period determined by the Board. The Board may implement such arrangements (including a holding lock) as it determines are necessary to enforce this restriction. Once the restriction is removed, and subject to the Company's Trading Policy, shares acquired on the vesting of performance rights may be dealt with freely.

Enclosures
