Basics cover is also available for students, stay at home parents, the Self Employed or if you have just started a job. It provides cover for up to 85% of your pre-tax income to a maximum of \$7,500 a month if you're working, or up to \$3,000 a month if you work less than 20 hours a week. When added to the Basics cover, it is important to understand that there are additional exclusions and conditions which may apply. For more information on Permanent Disability Cover see page 10.

See the nib Income Protection Benefit terms and conditions for full cover details, exclusions and more information.

Benefit terms and conditions

We encourage our customers to make sure they understand all aspects of their nib Income Protection benefits, so here are a few things you need to know before you take out cover. These terms and conditions will apply to your Policy.

Benefits for Sickness and Injury Cover

Sickness and Injury Cover Benefit, on both nib Income Protection cover and Basics cover is payable after a Life Insured has been Out of Action solely due to Sickness or Injury for the entire Waiting Period.

The Benefit Amount shown on the Policy Schedule, subject to these conditions:

If your plan is nib **Income Protection Cover**, the Benefit Amount payable is the lesser of:

- the monthly amount shown on the Policy Schedule; or
- 85% of the Life Insured's average gross taxable Monthly Income in the 12 months preceding the Sickness or Injury that caused the Life Insured to be Out of Action, less any adjustments/offsets that may be applicable. See page 14 on Adjustments.

If your plan is **Basics cover**, for Benefit Amounts up to and including \$3,000, the Benefit paid is the monthly amount shown on the Policy Schedule; for Benefit Amounts greater than \$3,000, the Benefit payable is the lesser of:

- the monthly amount shown on the Policy Schedule; or
- 85% of the Life Insured's average gross taxable Monthly Income in the 12 months preceding the Sickness or Injury that caused the Life Insured to be Out of Action, less any adjustments/offsets made to a minimum of \$3,000. See page 14 on Adjustments.

The Sickness and Injury Benefit starts to accrue from the end of the Waiting Period while the Life Insured remains Out of Action.

The Benefit Amount will be paid monthly in arrears, and for partial months, the amount paid will be at the rate of 1/30th of the Benefit Amount for each day the Life Insured is Out of Action after any applicable Waiting Period.

The Benefit will continue until the earliest of:

- the date the Life Insured is no longer Out of Action;
- the end of the Payout Period for Sickness and Injury Cover as shown in the Policy Schedule; or
- the termination date of the Policy.

We will pay a Benefit for a maximum of three months for any one claim whilst the Life Insured is and remains outside of Australia subject to the Benefit terms and conditions of this Policy and on provision of medical evidence acceptable to us (in English).

Benefit after age 65

After age 65 and up to age 75 the Benefit is reduced as described on page 15 of this document under the heading Cover after age 65.

Involuntary Unemployment Cover

Involuntary Unemployment Cover Benefit applies if:

- Involuntary Unemployment Cover has been selected by you for the Life Insured and is shown on the Policy Schedule;
- The Life Insured is aged between 18 and 64 years of age (inclusive);
- Involuntary Unemployment Cover has been continuously in force for at least the six months immediately preceding the Life Insured's Involuntary Unemployment; and
- At no time prior to or within the first six months from the Cover Start Date has the Life Insured's employer announced via the mainstream media impending redundancies or that it may suspend or cease trade, or the Life Insured received verbal or written notice that they may or will become Involuntarily Unemployed.
- The Life Insured has been continuously employed or Self Employed in their Usual Occupation and has not been bankrupt, nor has the Life Insured's business been in liquidation, prior to or within the first six months from the Cover Start Date.

Cover is payable after the Life Insured has been Involuntarily Unemployed for the entire Waiting Period and starts to accrue when he or she remains Involuntarily Unemployed subject to the exclusions applicable listed on pages 12 and 13 of this document. The Benefit will continue until the earliest of:

- the Life Insured is no longer Involuntarily Unemployed;
- the end of the Involuntary Unemployment Payout Period shown in the Policy Schedule;
- the Life Insured attaining 65 years of age; or
- the termination date of the Policy by you or the insurer.

The Benefit Amount will be paid monthly in arrears, and for partial months, the amount paid will be at the rate of 1/30th of the Benefit for each day the Life Insured is Unemployed after the Waiting Period.

The monthly Benefit Amount can be equal to or less than the Sickness & Injury Cover benefit, up to a maximum 85% of the Life Insured's taxable income (from personal exertion and net of expenses incurred in earning that income), up to \$3,000 per month, plus increases under Indexation.

Permanent Disability Cover

Permanent Disability Cover applies if it has been selected by you and Permanent Disability is shown in your Policy Schedule.

The Permanent Disability Cover Benefit is payable when a Life Insured is aged between 18 and 75 and, solely due to Sickness or Injury, is considered by us to be Permanently Disabled. This must occur after the date Permanent Disability Cover commenced for that Life Insured, and after the applicable six months Waiting Period.

The Benefit Amount payable is shown in your Policy Schedule.

Where the Life Insured is left Permanently Disabled, as diagnosed by a Medical Practitioner, we will require certified copies of evidence that the Life Insured has not worked in or performed any occupation - whether income-generating or not, for six consecutive months; and is unlikely to ever be able to perform two or more of the following activities without the physical assistance of another person or using special equipment:

- Bathing – the ability to shower and bathe;
- Dressing – the ability to put on or take off clothing;
- Toileting – the ability to get on and off and use the toilet;
- Mobility – the ability to get in and out of bed and a chair; and
- Feeding – the ability to get food from a plate into the mouth.

See page 21 for more information on documentation supporting your claim.

Permanent Disability Cover for a Life Insured will end on the date which is the earliest of:

- the Benefit shown in your Policy Schedule having been paid in respect of the Life Insured;
- the Policy Anniversary after the Life Insured's 75th birthday; or
- when your Policy ends as detailed on page 15.

When the benefits are indexed

Each year except when a Life Insured is Out of Action, your Benefit Amounts will increase automatically at your Policy Anniversary to ensure that it keeps pace with the rising costs of living. We call this increase Indexation. Each year the Sickness and Injury Cover, and Involuntary Unemployment Cover or Permanent Disability Cover (where applicable), will increase by 3% or by the Indexation Factor, whichever is the greater, on each Policy Anniversary until a Life Insured's Sickness and Injury Cover reaches \$15,000, Involuntary Unemployment Cover reaches \$6,000 and Permanent Disability Cover reaches \$1,000,000.

Corresponding increases in Premiums will apply, based on the Premium rates that apply at that time. If you do not want an increase, tell us within 30 days of the Policy Anniversary and we will reverse the increase. Indexation increases will not apply if we are paying you a Benefit in respect of a Life Insured.

You may apply to increase the Sickness and Injury Cover, Involuntary Unemployment Cover and Permanent Disability Cover at any time up to the maximum level(s) then available. Any increases to the Benefits will not be payable until confirmed in writing by us.

Exclusions

We believe an informed customer is a happy customer, so please take note that regardless of which insurance type you've applied for and received, there are some things you can't claim for. Also, please be aware that no Benefit is payable if you are in jail or lawfully detained.

If you were not able to, or only partially able to, perform your Regular Daily Activities before you started your Policy, then a Benefit will not be paid at any time. For nib Income Protection cover and Basics cover or when making a claim for Permanent Disability Cover or Involuntary Unemployment Cover, no Benefit will be payable under this Policy if the event giving rise to the claim is caused directly or indirectly by:

Adjustments

This applies to reduce the Sickness and Injury Cover Benefit, only if you receive other income payments, which together with the Benefit exceed 85% of Monthly Income. If any payment is received as a lump sum, it will be converted to income on the basis of 1% of the lump sum for each month that a Benefit is paid. The Benefit will be calculated taking this figure into account for a maximum of eight years.

Other income payments are payments received from:

- any other individual or group income protection Policy;
- any social security payments; or
- any workers' compensation or accident claim made under any state or federal legislation or common law.

Alterations after your policy has commenced

You have the flexibility to make changes to your Policy after it has commenced. For example, you can add an additional person to your Policy who is aged 60 or younger or remove existing ones or change your Cover amount prior to age 60.

Please note these changes may have an impact on your Policy. By adding people to your Policy or increasing your Cover amount, your Premiums may go up, however if the Cover you need reduces, then your Premiums will likely reduce in line with this. We understand that situations can change. If you find yourself having trouble budgeting for your Policy, please call us on **1800 633 170** – we'll go through your options and work out the best way for you to manage your Premiums, while still keeping your Cover.

Alterations and variations

This Policy can only be changed by TAL and/or St Andrew's in writing. No other person or company including an agent of TAL and/or St Andrew's has the right to change any part of the Policy.

Special conditions and exclusions

It is important that you read the Policy Schedule to confirm the details are correct and to note any special conditions or exclusions which may apply to this Policy.

Cover after age 65

After age 65 and up to age 75 the Policy provides ongoing limited Sickness and Injury Cover. At the Policy Anniversary after a Life Insured turns age 65, the Sickness and Injury Cover in respect of that Life Insured will be reduced to the lesser of the Benefit as shown on the Policy Schedule or \$3,000, so that:

- if the Benefit is greater than \$3,000 at the Policy Anniversary after age 65, then the Benefit is reduced to \$3,000;
- if the Benefit is less than or equal to \$3,000 at the Policy Anniversary after age 65, then the Benefit remains unchanged.

Your Premiums will change according to the adjustments in the Benefit at this time.

When your cover starts and ends

As long as you keep your Premiums up to date and pay when due, you will continue to be offered renewal until the anniversary of your Policy immediately following your 75th birthday. However, after the anniversary of your Policy immediately following your 65th birthday, your Cover is limited to a maximum of \$3,000 per month.

Your Policy starts at the Policy Start Date and ends when the earliest of the following events occurs:

- For Sickness and Injury Cover and Permanent Disability Cover (if applicable), the Policy Anniversary immediately following the Life Insured's 75th birthday, for Involuntary Unemployment Cover, the Policy Anniversary immediately following the Life Insured's 65th birthday;
- the death of the Life Insured;
- your Policy is cancelled due to:
 - non-payments of Premiums; or
 - you making a fraudulent claim;
- the date we receive a written request from the Policy Owner to cancel the Policy;
- for Involuntary Unemployment Cover, the Policy being terminated by you or the Insurer; or
- if your Policy is cancelled from inception due to you making a non-disclosure or misrepresentation at the time of application.

With respect to the Involuntary Unemployment Cover, this insurance may be renewed for further consecutive yearly periods upon payment of the premium. Payment of your premium is deemed to be acceptance of an offer of renewal for a further yearly period. If you continue to pay your premium, then unless your Policy is cancelled or We advise you prior to the Policy Anniversary that We will not be renewing, a Policy on the same terms and conditions automatically comes in to existence for one year from the Policy Anniversary.

Other terms and conditions

For other terms and conditions that apply to your nib Income Protection cover, see Section 4, 'Other things you need to know', on page 25.

Exclusions

No Benefit is payable on the Terminal Illness or death of a Life Insured if either is the direct or indirect result of suicide or an intentional self-inflicted act within 13 months of:

- the Policy Start Date;
- the date of any Benefit increase, but only in respect to that increase; or
- the date of the latest reinstatement of the Policy.

Other conditions or exclusions may also apply to your Policy. If so, these are stated on the Policy Schedule.

If a Benefit is not paid, we will not refund the Premiums you have paid.

When the benefits are indexed

Each year your Benefit Amount will increase automatically at your Policy Anniversary to ensure that it keeps pace with rising costs in living. We call this increase Indexation and the rate of increase will be 5% or the Indexation Factor as set out in the Glossary whichever is greater. The Benefit Amount shown in your Policy Schedule will be Indexed if your Policy Schedule shows that Indexation applies.

Indexation is not compulsory so if you do not wish to have your Benefit Amount increase each year, you must write to us with 30 days of receiving your Policy Anniversary letter. If you ask us to Index the Benefit Amount for three successive years, no further Indexation applies for the Policy. In any event, Indexation stops after the Policy Anniversary immediately before the Life Insured turns 70.

The maximum death Benefit that can result after Indexation is \$2,500,000.

If you apply to increase your Cover beyond any automatic Indexation increases, then you will be asked Underwriting questions and may be asked to provide other information that we may require to accept the increase in Cover.

Any increase in Cover (except Indexation increases) will not apply until it is confirmed in writing by us.

Nominated Benefit Recipient

If you are the sole Life Insured and Policy Owner under this Policy, you can nominate to whom the death Benefit will be paid on your death. They are called Nominated Benefit Recipients.

Any nomination of benefit recipients under this condition is binding on us once we receive it and send written confirmation of the nomination back to you. However, you can ask us to change or revoke a nomination at anytime.

If a nomination is made, details of the Nominated Benefit Recipient(s) will be shown in the Policy Schedule. If a change or revocation is made in relation to a nomination, a new Policy Schedule will be issued as confirmation of the change or revocation.

In the event a Nominated Benefit Recipient predeceases the Life Insured, the nomination of that benefit recipient is invalidated.

If there are other surviving Nominated Benefit Recipients then the benefits will be paid to them in accordance with the proportions in your nomination, but with those surviving proportions being scaled up to total 100%.

If there is no surviving Nominated Benefit Recipient, then the death Benefit will be paid to you, or if you have died, to your legal personal representative or a person we are permitted to pay under the Life Insurance Act 1995 (Cth).

Can I make alterations to my Policy after it has commenced?

You have the flexibility to make changes to your Policy after it has commenced. For example, you can add an additional person to your Policy who is aged 65 or younger or remove existing ones or change your Cover amount prior to age 65.

Please note these changes may have an impact on your Policy. By adding people to your Policy or increasing your Cover amount, your Premiums will go up, however if the Cover you need reduces then your Premiums will likely reduce in line with this. We understand that situations can change. If you find yourself having trouble budgeting for your Policy, please call us – we'll go through your options and work out the best way for you to manage your Premiums, while still keeping your Cover.

Alterations and variations

This Policy can only be changed by us in writing. No other person or company including our agent of TAL has the right to change any part of the Policy.

Special conditions and exclusions

It is important that you read the Policy Schedule to confirm the details are correct and to note any special conditions or additional exclusions which may apply to this Policy.

When does my Cover end?

Your Cover starts at the Policy Start Date and ends in respect of a Life Insured when the earliest of the following events occurs:

- the date your Policy is cancelled;
- the date your Policy lapses due to non-payment of the Premium;
- when the Benefit Amount is paid in full for that Life Insured; or
- the Cover End Date.

Other Terms and Conditions

For other terms and conditions that apply to your nib Value Life Insurance policy, see Section 4, 'Other things you need to know', on page 25.

3. How to make a claim

nib Income Protection and Value Life Insurance are designed to help take the financial difficulty out of what can be a very stressful time. That's why we've kept the process as straightforward as possible.

Step 1

If you or your family need to make a claim, please contact us as soon as possible on **1800 633 170**. We will send the claim forms to you or your nominated beneficiaries.

Step 2

You, your nominated beneficiary, or your legal representative will need to complete a claim form that we provide and may need to provide further information we require so that we can assess your claim.

Information we will need to assess your Claim

You or your legal representative must provide us, at your own expense, with any completed claim forms, information or Certified Copies of documentation supporting the claim that we reasonably require. We will contact you within a reasonable time from the submission of your claim and inform you of any additional information and/or documentation that we require in order to assess your claim.

We require the following for all claims:

- Certified Copy of proof of age of the Life Insured;
- For Sickness and Injury and (if applicable) Permanent Disability Cover and Involuntary Unemployment claims, completion of an initial claim form and if applicable, progress claim form each month or as and when required by us. We will require proof of the Sickness, Injury or event for which a claim is being made, supported by (but not limited to):
 - evidence of the date and location of where the event leading to the Injury occurred (if applicable); and
 - appropriate evidence from a Medical Practitioner of the Sickness and Injury, including confirmatory investigations such as clinical, radiological, histological and laboratory evidence; and
 - confirmation that any surgical procedures are medically necessary and usual treatment for the condition.

- For Involuntary Unemployment Cover claims, supporting evidence of the involuntary nature of unemployment will be required:
 - Evidence to our satisfaction that you are residing in Australia and actively looking for work on an ongoing basis whilst eligible for this benefit.
 - A copy of your Centrelink or recruitment agency form approved by us which confirms you have registered to find employment. Please note that you do not need to be receiving Centrelink Benefits to register to seek employment.
 - For employees – a Certified Copy of the Separation Certificate and written advice from the Life Insured's employer (on company letterhead and signed by the paymaster, company secretary, personnel manager, director or a person of similar senior standing in the firm) explaining the circumstances of the Life Insured's Involuntary Unemployment or the forced termination of his or her employment or contract.
 - For the Self-Employed - a Certified Copy of a notice confirming the Life Insured's personal insolvency issued by Australian Financial Security Authority (AFSA) or its successors or a Certified Copy of a court order or appointment of an insolvency administrator to the Life Insured's company.
- For both Sickness and Injury and Involuntary Unemployment claims, if applicable, proof of income for the last 12 months and/or last financial year.

Claim requirements at our expense

We reserve the right to obtain any additional information that we deem necessary. Should we request any further information in excess of the initial and progress requirements in order to assess your claim, these requirements will be met at our expense.

- Depending on the type of claim, you may be required to provide or participate in some or all of the following:
 - additional medical examination(s) which may involve imaging studies and clinical, histological and laboratory evidence to confirm the occurrence of the condition;
 - confirmatory assessment and diagnosis of current functional and vocational capacity by a qualified Medical Practitioner or an appropriately qualified person selected by us;
 - access to details of the Life Insured's previous medical consultations; and
 - interviews with various parties including you, in relation to your claim by a member of our staff or someone appointed by us, as often as is required.

Concurrent claims

If a Life Insured suffers multiple Sicknesses or Injuries and/or concurrent Involuntary Unemployment, we will only pay one Benefit under this Policy, that being the highest Benefit applicable to any one of the Sicknesses, Injuries, and Involuntary Unemployment.

Recurrent Sickness and Injury cover claims

If within 12 months of receiving a Sickness and Injury Cover Benefit, the Life Insured suffers from the same or related Sickness or Injury which caused the initial claim, the recurrence will be treated as a continuation of the original claim. This means that subject to the terms and conditions of the Policy:

- the Waiting Period does not apply;
- subject to ongoing evidence that the Life Insured is Out of Action, Benefit payments will recommence monthly in arrears;
- all periods of claim will be added together for the purpose of determining the remaining Payout Period; and
- the Benefit Period selected by you, as noted on your Policy Schedule, is only payable once per claimed condition, including any recurrences, and it expires when the end of the Benefit Period is reached.

Need to continually follow the advice of a Medical Practitioner

Sickness and Injury claim payments will be contingent on the Life Insured being under the regular care of and following the advice of a Medical Practitioner, including recommended courses of treatment and rehabilitation.

Fraudulent claims

We will refer any suspected fraudulent claims or illegal activity to the relevant law enforcement authorities and will, to the extent permissible by law, seek to recover any monies paid, expenses or damages incurred in obtaining such evidence as may be required to protect our rights. We are able to cancel your Policy if you make a fraudulent claim.

Payment of claims

We will pay your claim once we have received proof acceptable to us of your entitlement to be paid under this Policy.

If, while Out of Action, a Life Insured, under the regular care of and following the advice of a Medical Practitioner, travels to or resides overseas, Benefit payments will only be made for a maximum of three months while the Life Insured remains outside Australia.

For a Life Insurance claim, you can nominate one or more beneficiaries over the age of 18 to receive the claim payout if you were to pass away. See Nominated Benefit Recipient on page 19 for more details. Once the claim is approved we will offer a \$10,000 advance payout of the Benefit Amount to assist with any expenses that may need to be paid to help finalise the estate. Claims are payable in Australian currency to an Australian bank account unless we agree otherwise.

Misstatement of age

If the age of the Life Insured has been understated on the application for this Policy, then the Benefit payable in respect of a Life Insured will be recalculated based on the Benefit that the Premium would have purchased if the correct age had been provided. If the age of the Life Insured has been overstated we will refund any excess Premium paid. Where the terms and conditions of a Benefit vary by the age of the Life Insured or the Insured Child, the correct age of the Life Insured or the Insured Child, if applicable, will be used to determine whether a Benefit is payable.

We may also vary the end date of the Policy to the date on which it would have ended had the correct date of birth been provided by the Life Insured.

Duty of disclosure

Claims may be declined in full or in part and the Policy may be avoided in full or in part where a Life Insured fails to comply with the Duty of disclosure, as stated on page 33, or makes a misrepresentation while applying for Cover or any alteration in Cover.

4. Other things you need to know

nib Premium Protection (nib Value Life Insurance customers only)

With your nib Value Life Insurance policy you'll automatically receive nib Premium Protection, an exclusive advantage for nib customers. This means that we'll reimburse your nib health cover and waive your Premium costs for up to six months if you're Seriously Incapacitated from an Accident. See below for more information.

This Benefit is:

- payable for periods of continuous incapacity that last longer than 30 days immediately following the Accidental Injury
- valued at your monthly Premium cost at the date of the Injury, for a period of up to six months
- payable by us monthly in arrears
- only payable if your Policy is in force and your Premium payments are up to date
- not payable once you are no longer seriously incapacitated
- only payable once, even if you hold multiple policies
- only payable if you are under the care of, and following the advice of, a registered Medical Practitioner, who must provide ongoing certification to us of your continued inability to perform two or more Regular Daily Activities (see the definition on page 39), as a direct result of the Accidental Injury.

We will not pay the nib Premium Protection Benefit if you are seriously incapacitated as a result of:

- an Accidental Injury that occurred before we accepted you to be covered by the Policy
- any intentionally self-inflicted act
- your participation in any criminal or unlawful activity
- you being under the influence of alcohol or any drug not prescribed by a Medical Practitioner
- your participation in any form of aviation other than as a fare-paying passenger on a commercial airline
- your participation in any activity at a height of 20 metres or more above ground, at a depth of 30 metres or more below ground or underwater, or at a speed more than 130 km per hour
- willingly and knowingly exposing yourself to risk of Injury for gain, reward or regular payment.

Other conditions or exclusions may also apply to you. If they do, they will be set out in your Policy Schedule.

Inflation protection

Your insurance is indexed to make sure it keeps pace with inflation. On each Policy Anniversary, we automatically increase your Cover amount and your Premium. We continue to increase your Cover until the final Policy Anniversary before you turn 70 for Value Life Insurance only.

How much does your Cover increase:

Each year, we increase your Cover by:

- **nib Income Protection:** either the Indexation Factor or 3%, whichever is greater.
- **nib Value Life Insurance:** either the Indexation Factor or 5%, whichever is greater.

We stop indexing your Cover when it reaches the maximum for each type of Benefit:

Benefit	Maximum amount after indexation
nib Income Protection: Sickness and Injury Cover	\$15,000 a month
nib Income Protection: Involuntary Unemployment Cover	\$6,000 a month
nib Income Protection: Permanent Disability Cover	\$1,000,000
nib Value Life Insurance	\$2,500,000

We do not index your Income Protection Policy while you are being paid a Benefit.

Stopping indexation

If you'd prefer not to include the Inflation Protection Benefit in your Cover, please notify us in writing within 30 days of receiving your annual anniversary letter. If you ask us not to index the Benefit amount for three years in a row, we'll stop indexing your Policy altogether in future.

Other increases to your Cover

If you apply to increase your Cover beyond any automatic indexation increases, we may ask you to give us more information before we can accept the increase. Any increase in Cover (except indexation increases) will not come into force until we confirm the change in writing. Your Premium will increase in line with any increase in your Benefit Amount.

Your Policy

Your Policy sets out your insurance Benefits based on your application and the declaration made by you and each insured person. It is made up of:

- this document, which contains the terms and conditions of your Policy and explains how the Benefits work;
- the Policy Schedule, which sets out the details of each person insured by the Policy, the Benefit Amount, the total amount payable as your first Premium and the Premium Payment frequency.

Legal interpretation

The Policy is subject to, and governed by, the laws of the state or territory in which it is registered.

Headings are only for convenience. Apart from the definitions in the Glossary, headings do not affect the interpretation of the words of the Policy.

30-day cooling-off period

Be sure to carefully check all of the terms and conditions of the Policy to make sure it meets your needs. Once you apply and we send you your Policy Schedule, please check that all details are correct.

If for any reason you change your mind about the Policy, you can cancel it within 30 days of receiving your Policy Schedule. We'll give you a full refund for any Premiums you've paid, unless a Benefit has already been paid out under the Policy.

Insuring more than one person

If more than one person is covered by your Policy, references to 'you' or 'your' mean each individual insured person.

If you wish to add someone else to your Policy and we accept your request, a new Policy Schedule will be sent to you listing each person covered by the Policy. The 30-day cooling off period only applies once, when you first receive your Policy Schedule. No further cooling-off periods apply if you add anyone else to your Policy.

24-hour worldwide cover

Your Policy gives you worldwide insurance cover, 24 hours a day, 7 days a week. This is subject to any other exclusions or conditions of the policy.

Statutory fund

The assets of TAL's Statutory Fund Number 1 will be liable for the payment of all Benefits under this Policy (except for Involuntary Unemployment Cover for which St Andrew's is liable). You have no rights to the assets of St Andrew's, TAL, or any TAL Statutory Fund.

Financial Claims Scheme

The Involuntary Unemployment Cover is a "protected policy" for the purposes of the Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA). If you are entitled to claim under that cover, you may be entitled to payment under the FCS. Access to the FCS is subject to eligibility criteria. Information about the FCS can be obtained from the APRA website at www.apra.gov.au and the APRA hotline on 1300 55 88 49.

Cash value

This Policy is not an investment policy. We use the Premium you pay to provide insurance for each person covered under your Policy. You do not receive any money if you simply terminate the Policy after the 30-day cooling off period.

Government duties

We reserve the right to charge you for any government duties, taxes or other charges that relate to your Policy, Premium or Benefits. We also reserve the right to increase the cost of your Premium if our costs increase due to any such duties, taxes or charges.

Currency

All payments in connection with your Policy must be made in Australian dollars.

Your Premium

How much will you need to pay?

Your Policy Schedule explains the cost and frequency of your Premium payments. This cost will include any compulsory government charges (such as Stamp Duty) where they apply, as well as any other additional charges you may have to pay.

Premiums can be paid fortnightly, monthly, quarterly or annually on the day of the week of your choice by either:

- direct debit from a bank account, or
- credit card (MasterCard or Visa).

The cost of your Premium may change from year to year. It is calculated from our standard Premium rates and takes into account:

- the age of each person insured under the Policy, as our standard Premium rates usually increase with age
- any change to the Benefit amount (for example, from indexation increases)
- any change to the type of Cover (for example, from Basics cover to nib Income Protection cover)
- any new Benefits you add (for example, adding the Permanent Disability Cover option to nib Income Protection cover)
- any change from annual to monthly or fortnightly Premium payments (in which case the annual discount will no longer apply)
- any change in the standard Premium rates (if, for example, there are changes to government charges).

We will let you know your Premium cost each year in a letter sent on the anniversary of the day your Policy started.

Once your Policy starts, your Premiums will only increase in line with general increases affecting all policy holders with the same Premium rate table. If there is any change to the standard rates, we'll let you know in writing at least 30 days before the change comes into effect.

A copy of the standard Premium rates is available on request.

When do you need to pay your Premium?

You must pay your Premium by the due date shown in your Policy Schedule. If you pay by direct debit, we'll deduct your Premium from the account you have authorised us to debit. The deduction will be made on or around the due date, depending on weekends and public holidays.

You can let us know you want to change the frequency of your Premium payments at any time.

For nib Income Protection policies, we'll waive the Premium while you are Out Of Action or Involuntarily Unemployed and we're paying you a Benefit. If you've paid a Premium while you're Out of Action or involuntarily unemployed, the payment will be credited towards the next Premium due after the end of the benefit period.

What happens if you don't pay your Premium?

If the unpaid Premium is your first Premium payment: The Policy will not operate at all if you don't pay your Premium by the due date or, in the case of direct debit, if we are unable to deduct the Premium from your account.

For your second and later Premium payments: We'll allow you 30 days from the due date to make a payment. If we haven't received the payment by then, we'll send you a notice explaining that we will cancel your Policy if the overdue Premium is not paid by the date specified. This date will be at least 28 days from the date of the notice.

If you don't pay the Premium by the date specified, we'll cancel the Policy and your insurance cover will cease.

What happens if your Policy is cancelled?

No Benefits will be paid if your Policy is cancelled. However, if a Benefit is payable after the date the Premium is due but before we cancel the Policy, we'll pay the Benefit in accordance with the Policy terms after deducting any outstanding Premiums.

If your Policy is cancelled due to non-payment of premiums, you may contact us if you wish us to consider reinstatement of our Policy. Reinstatement will be subject to the terms of your Policy and is at our discretion, and may require additional questions and assessment.

Tax

You should seek specialist, independent advice about the tax consequences of taking out these products. In general:

- Premiums paid for nib Income Protection, Basics cover or Involuntary Unemployment Cover are usually tax deductible, and any Benefits received are taxable.
- Premiums paid for optional Permanent Disability Cover are not tax deductible, and Benefits are tax free. This may vary if insurance is purchased for business purposes, so it's important to seek professional taxation advice.
- Premiums paid for nib Value Life Insurance are not tax deductible, and any Benefit received is tax free.

This general information is based on current tax laws, their continuation and their interpretation. We reserve the right to make changes to the Policy and Premium rates in response to any taxation or other legal changes.

Risks

There are risks involved with taking out insurance that you should be aware of. For example:

- You may not select the right insurance product and cover level for your needs.
- It is possible to pay more in Premiums than your cover amount.
- If you are replacing another insurance contract, different terms and conditions may apply. You should consider the terms and conditions of each contract before deciding to make the change.
- These products do not have a savings or investment component, which means that if you cancel your Policy after the 30-day cooling-off period, you won't receive any money back.

You should consider if the Policy meets your needs, both now and in the future. You may need to consult a financial adviser to help you decide if these products match your objectives, financial situation and needs.

Disclosure of information

Generally we do not use or disclose any customer information for a purpose other than providing our products and services unless:

- our customer consents to the use or disclosure of the customer information; or
- the use or disclosure is required or authorised under an Australian law or a court/tribunal order; or
- the use or disclosure of the information is reasonably necessary for one or more enforcement related activities conducted by, or on behalf of, an enforcement body e.g. the police.

Duty of disclosure

Before you enter into a contract of insurance, you have a duty to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to provide the insurance and on what terms.

You have this duty until we agree to provide the insurance.

You have the same duty if you renew, extend, vary or reinstate the contract.

You do not need to tell us anything that:

- reduces the risk we insure; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive the duty to tell us about.

If you do not tell us something – Involuntary Unemployment Cover

For Involuntary Unemployment Cover, if you do not tell us anything you are required to, we may cancel the contract or reduce the amount we will pay if a claim is made, or both.

If the failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

If you do not tell us something – All other types of cover

For all other types of cover, in exercising the following rights, we may consider whether different types of cover can constitute separate contracts of insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything that you are required to, and we would not have provided the insurance if you had told us, we may avoid the contract within 3 years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount of insurance provided. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount of insurance provided, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract provides cover on death.

If the failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
