

nib Skincare Privacy Collection Notice

The nib Skincare brand is owned and operated by nib Health Funds Ltd (ABN 83 000 124 381) ("nib").

nib Skincare owns and runs the nib Skin Health Assessment ("**Online Skin Check**"), which enables you to know your risk of skin cancer and receive personalised insights and recommendations to help look after your skin health.

nib is committed to ensuring the confidentiality and security of your information. Your personal information will be managed in accordance with the *Privacy Act 1988* (Cth) and the **nib Privacy Policy**.

In this notice, we explain when and how your information may be collected, used and disclosed. By using nib Skincare you consent to the collection, use and disclosure of your personal information as outlined in this notice.

What information is collected by nib

Upon completing the Online Skin Check, nib will collect personal information including age and location, and health information including physical attributes, and personal and familial skin health history. This will be stored on your nib membership account.

nib will use this information for analytics and reporting purposes and provide you with health insights and recommendations. To learn more about nib's privacy collection practices, [click here](#).

Your Online Skin Check results will be available on your Skin Check results page. If you log in to Skin Check using your Health Insurance policy details and if the same email address is used for different members on the same policy, it will be possible to view all policyholder and dependent information, including Skin Check results. Please review **nib's Online Terms** for more information.

What happens if you do not wish to share your personal information

If you do not wish to disclose your personal information to nib, or for your results to be saved against your nib membership account, we will be unable to offer you the service.

What we won't do with your personal information

Your participation or non-participation in nib Skincare will not impact your nib membership in any way.

For nib private health insurance members, this includes your premium and policy terms and conditions in line with community rating.

nib will never use personal information provided in your use of nib Skincare to:

- Reject claims
- Change your premiums
- Deny health cover
