Subject **Footy legend come rock star opens NIB Retail Centre**

Rugby league legend come rock star, Paul "The Chief" Harragon is to make a special appearance at the Raymond Terrace Marketplace today (Wednesday) to officially open NIB Health Funds Limited (NIB) newest Retail Centre.

Now located at Raymond Terrace Marketplace, the NIB Retail Centre incorporates an open-plan layout and modern design that allows for more personal interaction with customers.

The new look, architecturally-designed Retail Centre will provide current and potential NIB customers with traditional retail centre services such as over-the-counter claims processing and professional advice on affordable health cover provided by the fund.

The transformation of the Raymond Terrace Retail Centre is part of a national refurbishment program, reaffirming NIB's commitment to maintaining a strong retail presence in areas where demand for these services is increasing.

Paul Harragon, who is also the face of NIB, is making a special guest appearance at the Retail Centre to celebrate the re-opening and autograph copies of his new hit single "That's Gold".

The single, which is based on the classic Spandau Ballet 80's hit of the same name, debuted on the nation's ARIA charts last week at number eight.

The Raymond Terrace NIB Retail Centre will operate Monday to Friday between the hours of 9am – 5pm.
